Psalms

February 28 - April 14, 2018

Opening Reception: Thursday, March 1 at 7pm

psalm

1. A sacred song or hymn in particular any of those contained in the biblical book Psalms used in Christian and Jewish worship.

- Oxford Living Dictionaries

My work is a mandala I create in honour of my lord; every time I paint I feel an ecstasy similar to what a monk feels when painting the cells of a monastery. In the end I do not destroy the work; I become the caretaker of it until I can reveal it to the public. I hope people can see God's light through it like the sun through a stain glass window.
